

## SENATE BILL 1541 – MEETING NOTES – COUNTIES

**Bond County** – Met with Hollie Willmann, County Board Chairman, and I left GEO Media map with him. Mr. Willmann signed off on "Request for Termination of Notice".

**Bureau County** - Gave maps showing work for 2003 to Ronald h. Happach ( County Chairman), he requested that we continue to give maps yearly. He also gave me the name of the county engineer (Jeff Peacock), to get permission for brush removal on county's rights of ways, his number is 815-454-2412.

**12/30/03** – Gave maps to Deb Landers (chief deputy county clerk), showing work planned for 2004, she will forward maps to Ronald Happach ( county board chairman).

**Champaign County** – Left maps with clerk, she is going to pass them on to the Administrator, Denny Inman, when he is back from vacation, 12/26/2001.

**01/21/03** – Left maps with clerk, she will pass them on to the Administrator.

**01/07/04** – Left maps showing the areas that would be trimmed for 2004 with the clerk, she said that she would pass them on to the County Board Chairman.

**12/28/04** – Left map with County Board Chairman's office showing what areas would be trimmed during 2005. Clerk said that she would pass the information on to the Board Chairman.

**Christian County** – Left GEO media map on 01/16/2001 with secretary to Co. Board Chairman, and explained legislation of SB 1541. Need to check back. County Board Chairman, John Curtin signed and sent back "Request for Termination of Notice".

**Clinton County** – 01/02/03, I gave the GEO media maps showing what areas we would be trimming for 2003 to the County Clerk and Recorder, Tom LaCaze. He said that he would pass these on to the County Board Chairman.

**12/30/04** – I gave a Map to Tom LaCaze, County Clerk, showing the areas that we would be trimming for 2005. Tom said that he would pass the information on to the Co. Board Chair.

**Edgar County** – Gave the GEO Media map to Pete, he is going to pass it on to the County Board Chairman for Edgar County. Pete left maps with county clerk, 12/31/2001, who said they would pass on to County Board Chairman. Maps showed areas that we would be doing line clearance work in 2002.

**Fayette County** - Met with Larry Emerick, County Board Chairman of Fayette County, gave him GEO Media map of areas that we will be trimming in 2001. He said that he would talk with board about whether they would like to be notified or not and let me know. Letter was sent saying until further notice we did not need to notify for non-emergency vegetation management.

**Gallatin County** – Met with County Board Chairman Randy Drone, on 01/18/2001, to notify him of upcoming Vegetation Management in Gallatin County for the year 2001. He signed "Request for Termination Notice".

**Henry County** – Gave maps showing work for 2003 to Dick Erickson (Administrative Assistant), he will forward them to the (County Chairman), Marvin Gradert. Maps were left on 1/9/03

**12/31/03** – I gave maps showing work planned for 2004 to Erica Desplinter (county board secretary ), she will forward maps Marvin Gradert (County Chairman).

**Jackson County** – 12/30/04 Left maps with County Board Chairman's secretary, she said that she would pass them on to the Chairman.

**Jefferson County** – Met with Bill Armstrong, County Board Chairman for Jefferson County, on 01/05/2001 to notify him of the work that would be done in Jefferson County in the year 2001. Also left highlighted GEO media map of the circuit(s) to be done. We will have to contact the County Board Chairman in Jefferson County yearly. The reason Bill gave for not signing off on the Termination of Request, was because he did not feel it would be fair for him to sign off, and future Count Board Chairman would not have the opportunity to make their own decision. 8/27/01 I called Bill Armstrong and told him that I would have Floyd Storm drop off some maps of the areas that we would be trimming. These are areas that were not planned for this year.

12/07/2001, I met with Bill Armstrong and gave him maps of planned circuits for 2002.

01/02/03 – Took the GEO media maps to Bill Armstrong. Bill said that he was no longer County Board Chairman, but that he would pass them along to the new Chairman. Bill stated that we could either bring the maps to him in the future, or take them to the Courthouse and give them to Susie(?) Tate, she would then pass them onto the County Board Chairman

12/16/03 – Took map of the areas we would be working in Jefferson Co. to the Court House and presented them to the County Clerk. The County Board Chairman's secretary was away on medical leave. The Clerk said that she would see that the Co. Board Chair, got the map, along with my phone numbers in the event there were any questions.

12/17/04 – I left maps with the County Board Chairman and explained to him what areas we would be trimming during 2005.

**Knox Country** - Gave maps showing planned work for 2003 to Marc Wong (County Clerk), He will forward them to (County Chairman), Sally Keener. Maps were left on 12/26/2003.

12/31/03 – Gave maps showing planned work for 2004 to Paula (county clerk office), she will forward maps to Sally Keener (county Board Chairman).

**Lasalle County** - Gave maps showing work to be done for 2003 to Gayle (County Clerk), she will forward them to the (County Chairman), Glen "Joe" Dougherty. Maps were left on 1/2/03.

12/30/03 – spoke with Glen "Joe" Dougherty (County Chairman), He said to start dropping maps off to the (county highway department), Terry Claudnic & to do that every year. Dropped off maps to Terry Claudnic on 12/30/03.

**Macoupin County** – Left GEO Media map with secretary to Pete Denby, County Board Chairman. I called Mr. Denby back this morning and he told me that he had signed "Request for Termination of Notice" and sent it to me in Decatur.

01/07/2004 – Dropped off maps showing planned work for 2004, Clerk will forward them to County Chairman.

**Madison County** – Met with County Board Chairman Rudolph Papa, gave him GEO Media maps of Madison County showing the areas we would be trimming for 2001. We need to go back here yearly with this information.

01/02/2002 – Left maps at Rudy Papa's office, explained the maps to the clerk and said if there are any questions to please call.

01/03/2003 – Left maps with Alan Dunstan's, County Board Chairman, secretary, she said that she would pass the maps on to the Chairman.

01/16/2004 – Left maps with Alan Dunstan's, county Board Chairman, secretary. She stated that she would pass these maps on to the Chairman.

12/30/04 – Left maps with Alan Dunstan's, CO. Board Chair, office. They said they would see that the Chairman received the information.

Marion County – Met with Evan Deadmond, County Board Chairman for Marion County, he signed "Request for Termination of Notice" on 01/05/2001.

Macon County – Gave maps showing planned work for 2004 to Tara Jackkuri ( County Board Chairman), She requested that we drop off maps yearly.

McDonough County - Gave maps showing work planned for 2003 to Florine Miller ( County Clerk), she will forward them to (County Chairman), Bob Harwick. Maps were left on 12/26/2003.

McLean County – Gave maps showing the work planned for 2003 to Lucretra Wherry (County Clerk), she will forward them to (County Chairman), Mike Sweeney. Maps were left on 12/26/2002.

12/19/03 – County Board Chairman Michael Sweeney told me to give maps to John Zeunik ( county Administrator ), So I dropped off maps showing work planned for 2004 to John Zeunik on 12/19/03.

Monroe County – Met with County Board Chairman Bob Rippelmeyer on 1/25/01. Gave him a GEO Media Map of Monroe county and explained what areas would be trimmed in 2001. Mr. Rippelmeyer asked me to take the maps to the County Road Engineer in the future, or drop off at the Courthouse.

12/08/2001 – Left maps with County Road Engineering Dept.

12/19/03 – Left maps with County Engineer at the County Road Engineering Dept.

12/16/04 – Left maps with County Road Engineering Dept.

Montgomery County – I left GEO Media maps with Christine Daniel's, Coordinator Montgomery County, she is going to give the map to the County Board Chairman and the appropriate committee, so that they can discuss on 02/08/2001. She will get back to me after their meeting to let me know if there are any questions, and also to inform whether they will sign termination notice

01/07/2004 – Gave maps showing planned work for 2004 to Christine Daniels (Montgomery County Coordinator), She will forward maps to Mike Havera (County Board Chairman).

Morgan county – Gave maps showing the work planned for 2003 to (County Chairman), Virgil Smith. He requested that we drop off maps yearly. Maps were left on 12/31/2003. Gave maps to Virgil Smith (County Chairman), showing work planned for 2004 on 12/23/2003, He said that he wants all brush cut on county right-of-ways< any problems please contact Him

12/23/03 – Gave maps showing planned 2004 work to Virgil Smith ( county Chairman ), he said he wants all brush cut on county right-of-ways, any problems to contact him, wants maps dropped of yearly.

Moultrie County -- Gave maps showing work planned for 2003 to Nancy (County Clerk), she will forward the maps to (County Chairman), Tim Wilkerson. Maps were left on 1/9/03.

Perry County – Met with County Board Chairman Danny Wildermuth, and the Perry County States Attorney and explained Senate Bill 1541, and gave him a GEO Media map showing him the circuits we would be trimming in the county this year. He would like to receive the updated map yearly, we do not need to talk to Mr. Wildermuth, just drop the map off at the Courthouse.

12/14/2001 (Perry Co.) – Left maps with clerk at courthouse, she told me she would pass on to Chairman Wildermuth.

12/19/2002 – Met with Mr. Kern, County Clerk, and gave him a map showing the areas we would be trimming in 2003. Mr. Kern said he would pass the map onto the County Board Chairman.

12/18/2003 – Left map with Kevin Kerns, County Clerk, office. The clerk said that she would give the map to Kevin, and that if he had any questions, that he would call.
